

Unattended Children or Pets Policy

For the safety and comfort of all our patients and staff, please adhere to the following policy:

No Unattended Children or Pets allowed

- Children must always be supervised by a parent/guardian (no staff involvement) while in the practice. Unattended children can pose a safety risk and may disrupt the care of other patients.
- Pets are not allowed in the office. Please make appropriate arrangements for your pets before your appointment.
- Only service dogs trained to assist individuals with disabilities are permitted in the practice.
- Failure to comply may result in rescheduling your appointment.

Thank you for helping us create a safe, inclusive and supportive environment for all our patients and staff.
